This Friday, February 2, from 4–6:30 pm is our field trip to the Llano Seco Unit of the Sacramento Wildlife Refuge to view the waterfowl and watch the sunset “flyout” of the flocks. The weather is looking good! Note, however, that it is often very windy at Llano Seco, even when there’s little to no wind in Chico, so be prepared and dress accordingly. You may want to bring along a folding chair and a camera, and be sure to bring your binoculars.

**Directions:** From Chico, there are two ways you can go:
(1) Take Dayton Rd south approx. 5 miles, and turn right on Ord Ferry Rd. Go about 3 miles, and turn left onto 7 Mile Lane. Drive approx. 2 miles to the unit entrance on right.
(2) From the Raley’s shopping center on Skyway, continue onto E Park Ave, turn left on Midway, then turn right on Hegan Lane. Go 3.2 miles and turn left on Dayton Rd. Go 2 miles and turn right on Ord Ferry Rd. Go 3 miles and turn left on 7 Mile Lane. Drive approx. 2 miles to the unit entrance on right.

**Optional carpool:** Meet me in the Raley’s parking lot off Skyway/Notre Dame Blvd. near O’Reilly’s Auto Parts to carpool. We’ll leave at 3:30 pm sharp.
