Spring 2018 Class Schedule

Class meets the first and third Thursdays of each month, 9–11 am. If there’s bad weather on one of the scheduled days, we’ll meet the next Thursday. Specific directions to the meeting places (and sometimes carpool sites) will be handed out the first day of class as well as emailed before each field trip.

February 1: Introductory classroom session on birding basics and use of binoculars, Craig Hall, Gordon 1 (optional)

February 15: Thermalito Forebay North and along Feather River, Oroville

March 1: Packer–Codora–Sul Norte Units of the Sacramento River NWR, near Butte City

March 15: Horseshoe Lake, Upper Bidwell, Chico

March 29: Bonus fifth-week field trip to the Genetic Resource Center (“Tree Farm”), Chico

April 5: Indian Fishery, Chico

April 19: Paul Thomas Trail and marina near Orland Buttes campground, Black Butte Lake, Orland

May 3: Pine Creek Unit of the Sacramento River NWR, near Chico
