Testimonials

“This book is a great reminder to all of us about the value of good conversation, especially in this day and age of all the electronic communications. This has become our ‘coffee table book’.”

“Once I started reading this book I didn’t put it down until I read the whole book. There are many conversation starters for every situation which will enliven up and enlighten the interactions of any kind of gathering, big or small.”

“This book provides a multitude of suggestions to get the conversation going and to help it continue. The starters are thought-provoking and allow for in-depth conversation.”

About the Author

Peggy is a retired community college administrator who lives with her husband in Northern California. Peggy possesses a Master’s Degree in Counseling Psychology. In addition to conducting Life Talks workshops, she is a frequent presenter for leadership programs throughout Northern California.
