~ Birding in the Chico Area ~

Spring 2019 Class Schedule

Class meets the first and third Thursdays of each month, 9–11 am. If there’s bad weather on one of the scheduled days, we’ll meet the next Thursday instead. Details and specific directions to the meeting places (and sometimes carpool sites) will be emailed several days before each field trip.

January 31: Introductory **classroom session** in Craig Hall, Bradley 1, on birding basics and using binoculars (optional)

February 7: **Butte College Nature Trail**, Upper Bidwell, Chico

February 21: **Feather River Nature Center**, Oroville

March 7: **Durham Community Park and nearby sites**, Durham (tentative, depending on preliminary scouting; alternate site may be Indian Fishery)

March 28: **Genetic Resource Center** ("Tree Farm"), Chico (a week late because of spring break)

April 4: **Woodson Bridge State Recreation Area**, near Corning

April 18: **Tuscan Loop & Old Humboldt Road**, Chico

May 2: **Pine Creek Unit** of the Sacramento River NWR, near Chico
