Lunch Around Town
12:30PM to 2PM

With an emphasis on making personal connections, this class gives members the opportunity to have lunch at local restaurants in a small table configuration. Meeting approximately once a month during the semester, the class members will receive an electronic invitation listing the restaurants of the month. Members can then choose from the available restaurants and see who else has signed up. With no more than 12 people per restaurant, members will sit at tables of 4 to allow everyone to be able to hear and be heard.

This class will meet once a month on different days of the week during the semester. The goal is to allow everyone at least one or two dates that work while still making their favorite classes. We will meet at the restaurants at 12:30pm
